SUBJECT INDEX

A

Access to health care; *see* Health services accessibility
Adolescence
Children with ostomies (Konings). 1993;20:133 (Letter)
Advanced practice nurse
ET nursing: advanced practice, specialty practice—or both? (Bryant). 1993;20:229-31 (Pres. message)
Aged
The aging immune system and common infections in elderly patients (Blaylock). 1993;20:63-7
Alcohol and other drug abuse in elders (Marcus). 1993;20:106-10
Aging
The aging immune system and common infections in elderly patients (Blaylock). 1993;20:63-7
Alcoholism
Alcohol and other drug abuse in elders (Marcus). 1993;20:106-10
Anniversaries and special events
The history and current status of paramedical support for the ostomy patient (Turnbull and Turnbull). 1993;20:102-4 (Anniversary)
A moment in time (Smith). 1993;20:101 (Anniversary)
A silver celebration (Smith). 1993;20:91 (Editorial)
Twenty-five years in colon and rectal surgery: changes and progressions (Kodner). 1993;20:98-100 (Guest editorial)
Article; *see* Journal article
Awards and prizes
ET Foundation Manuscript Award winner. 1993;20:105 (Award)

B

Bacterial infection
Characteristics and prevention of wound infection (Corum). 1993;20:21-5 (Student article)
Bandages
Clinical benefit of a hydrocolloid dressing in closed surgical wounds (Hermans). 1993;20:68-72
Beds
Interface pressure measurements of support surfaces with subjects in the supine and 45-degree Fowler positions (Whittemore et al). 1993;20:111-5
Pressure reduction or pressure relief: making the right choice (McLean). 1993;20:211-5 (Student article)
Pressure-reduction products: making appropriate choices (Hedrick-Thompson et al). 1993;20:239-44
Results of a clinical investigation of four pressure-reduction replacement mattresses (Bell and Matthews). 1993;20:204-10
Support surfaces and their use in the prevention and treatment of pressure ulcers (Holzapfel). 1993;20:251-60 (Student article)
Behavior therapy
Behavioral management strategies for urinary incontinence (Colling et al). 1993;20:9-13
Managing urinary incontinence with bladder training: a case study (Wyman). 1993;20:121-6 (Case note)
Bladder
Managing urinary incontinence with bladder training: a case study (Wyman). 1993;20:121-6 (Case note)
Twenty four–hour monitoring of incontinence and bladder function in a community hospital (Moore et al). 1993;20:163-8 (Research)
Book reviews
In review. 1993;20:86-8, 129-31, 183-5, 225-7, 270-3
Braden Scale
Braden Scale and clinical judgment (Bergstrom) (Letter); (Salvadalena) (Reply). 1993;20:133-4
Burns
Management of perineal and genital burns (Rutan). 1993;20:169-76 (Case note)

C

Caput medusae
Caput medusae: peristomal varices (Thompson). 1993;20:216-9 (Case note)
Caregivers
Caring for the caretakers: the patient's family (Malett). 1993;20:78-81 (Case note)
Case notes
Caput medusae: peristomal varices (Thompson). 1993;20:216-9
Caring for the caretakers: the patient's family (Malett). 1993;20:78-81
Management of perineal and genital burns (Rutan). 1993;20:169-76
Managing urinary incontinence with bladder training: a case study (Wyman). 1993;20:121-6
Child
Children with ostomies (Konings). 1993;20:133 (Letter)
Clinical judgment; *see* Judgment
Colitis, ulcerative
Current status of ileoanal reservoirs: 1992 (Tjandra and Fazio). 1993;20:56-62

January/February, pp.1-38; March/April, pp. 39-88; May/June, pp. 89-134; July/August, pp. 135-186; September/October, pp. 187-228; November/December, pp. 229-286.

Colitis, ulcerative—cont'd
Ileoanal reservoirs: construction and management (Todd and Dozois). 1993;20:26-35 (Keeping current)
Collaborative management; *see* Patient care team
Colon and rectal surgery
Twenty-five years in colon and rectal surgery: changes and progressions (Kodner). 1993;20:98-100 (Guest editorial)
Colostomy
Options in practice: another option explored (Price). 1993;20:186 (Letter)
Computers
Use of computer technology in ET nursing (Kranzman). 1993;20:116-20
Corrections
Alcohol and other drug abuse in elders (Marcus) (1993;20:106-10). 1993;20:168
Hall of Fame (1993;20:92-7). 1993;20:227
JOURNAL OF ET NURSING Review Board (Smith) (1992;19:193-4). 1993;20:85
Unit-based quality assurance: a necessary component of ET nursing practice (Gawron) (1993;20:42-50). 1993;20:100
Costs and cost analysis
ET nurses: on the front line of health care reform (Griffin and Tomaselli). 1993;20:158-62
Courage
Giving thanks (Smith). 1993;20:232 (Editorial)
Critique; *see* Evaluation studies
Current literature
Current literature. 1993;20:36-8, 82-5, 127-8, 177-82, 222-4, 267-9
Current Procedural Terminology
Survey of the degree to which ET nurses are performing Current Procedural Terminology–coded services (Griffith and Morris). 1993;20:143-51

D

Decision making
Issues related to informed consent (Varricchio et al). 1993;20:14-20
Decubitus ulcer
Air support therapy (Stenberg) (Letter); (Blaylock) (Reply). 1993;20:132-3
Appropriateness of pressure ulcer risk scales for general hospital use (McCubbin). 1993;20:274-5 (Letter)
Braden Scale and clinical judgment (Bergstrom) (Letter); (Salvadalena) (Reply). 1993;20:133-4
Interface pressure measurements of support surfaces with subjects in the supine and 45-degree Fowler positions (Whittemore et al). 1993;20:111-5
Pressure reduction or pressure relief: making the right choice (McLean). 1993;20:211-5 (Student article)
Pressure-reduction products: making appropriate choices (Hedrick-Thompson et al). 1993;20:239-44
Purple ulcers (Witkowski) (Letter); (Dailey) (Reply). 1993;20:132
Results of a clinical investigation of four pressure-reduction replacement mattresses (Bell and Matthews). 1993;20:204-10
Support surfaces and their use in the prevention and treatment of pressure ulcers (Holzapfel). 1993;20:251-60 (Student article)
Desquamation
Collaborative nurse management of multifactorial moist desquamation in a patient undergoing radiotherapy (Strunk and Maher). 1993;20:152-7
Diabetes mellitus
Diabetic foot ulcers: pathogenesis and management (Levin). 1993;20:191-8
Dressings; *see* Bandages
Drug abuse; *see* Substance abuse

E

Editorials
The caring touch (Benirschke). 1993;20:189-90 (Guest editorial)
Giving thanks (Smith). 1993;20:232
Missing *Fall* (Smith). 1993;20:188
Moments in time (Smith). 1993;20:41
Sexual health promotion (Smith). 1993;20:3
A silver celebration (Smith). 1993;20:91
Twenty-five years in colon and rectal surgery: changes and progressions (Kodner). 1993;20:98-100 (Guest editorial)
Urinary incontinence (McGuire and Gormley). 1993;20:136-7 (Guest editorial)
Education
Contradictions, controvery, commitment, and collaboration (Bryant). 1993;20:187 (Pres. message)
Education, patient; *see* Patient education
Elderly; *see* Aged
Enterostomal therapy
The history and current status of paramedical support for the ostomy patient (Turnbull and Turnbull). 1993;20:102-4 (Anniversary)
Erythema
Purple ulcers (Witkowski) (Letter); (Dailey) (Reply). 1993;20:132
ET Foundation Manuscript Award
ET Foundation Manuscript Award winner. 1993;20:105 (Award)
Ethics
Air support therapy (Stenberg) (Letter); (Blaylock) (Reply). 1993;20:132-3
Evaluation studies
Basics of critiquing a research article (Pieper). 1993;20:245-50 (Research)

F

Fall; *see* Seasons
Familial adenomatous polyposis; *see* Polyposis syndrome, familial
Family
Caring for the caretakers: the patient's family (Malett). 1993;20:78-81 (Case note)

Fecal incontinence
A nursing intervention for intractable incontinence (Grogan and Wells). 1993;20:228 (Letter)
Foot ulcer
Diabetic foot ulcers: pathogenesis and management (Levin). 1993;20:191-8
Fowler position
Interface pressure measurements of support surfaces with subjects in the supine and 45-degree Fowler positions (Whittemore et al). 1993;20:111-5

G

Gangrene
Diabetic foot ulcers: pathogenesis and management (Levin). 1993;20:191-8
Genitalia
Management of perineal and genital burns (Rutan). 1993;20:169-76 (Case note)
Guest editorials
The caring touch (Benirschke). 1993;20:189-90
Twenty-five years in colon and rectal surgery: changes and progressions (Kodner). 1993;20:98-100
Urinary incontinence (McGuire and Gormley). 1993;20:136-7

H

Hall of fame
Hall of fame. 1993;20:92-7
Health care reform
ET nurses: on the front line of health care reform (Griffin and Tomaselli). 1993;20:158-62
Health promotion
Sexual health promotion (Smith). 1993;20:3 (Editorial)
Health services accessibility
ET nurses: on the front line of health care reform (Griffin and Tomaselli). 1993;20:158-62
Hemorrhage
Caput medusae: peristomal varices (Thompson). 1993;20:216-9 (Case note)
Historical article
The history and current status of paramedical support for the ostomy patient (Turnbull and Turnbull). 1993;20:102-4 (Anniversary)
A moment in time (Smith). 1993;20:101 (Anniversary)
Hope
Hope and wound healing (Jackson). 1993;20:73-7 (Student article)
Hydrocolloids
Clinical benefit of a hydrocolloid dressing in closed surgical wounds (Hermans). 1993;20:68-72
Ileostomy complications (Faller). 1993;20:134 (Letter)

I

Ileoanal reservoir; *see* Proctocolectomy, restorative
Ileostomy
Ileostomy complications (Faller). 1993;20:134 (Letter)
Immune system
The aging immune system and common infections in elderly patients (Blaylock). 1993;20:63-7
In review
In review. 1993;20:86-8, 129-31, 183-5, 225-7, 270-3
Infant
Application of social learning theory to teaching ostomy care to parents of infants with ostomies (Foster). 1993;20:261-6 (Student article)
Infection
The aging immune system and common infections in elderly patients (Blaylock). 1993;20:63-7
Diabetic foot ulcers: pathogenesis and management (Levin). 1993;20:191-8
Informed consent
Issues related to informed consent (Varricchio et al). 1993;20:14-20
Insurance, health, reimbursement
Survey of the degree to which ET nurses are performing Current Procedural Terminology–coded services (Griffith and Morris). 1993;20:143-51

J

Job satisfaction
Moments in time (Smith). 1993;20:41 (Editorial)
Journal article
Basics of critiquing a research article (Pieper). 1993;20:245-50 (Research)
Judgment
Braden Scale and clinical judgment (Bergstrom) (Letter); (Salvadalena) (Reply). 1993;20:133-4

K

Keeping current
Ileoanal reservoirs: construction and management (Todd and Dozois). 1993;20:26-35

L

Letters to the editor
Letters. 1993;20:132-4, 186, 228, 274-6
Loop colostomy; *see* Colostomy

M

Mattresses; *see* Beds
Moist wound healing
Collaborative nurse management of multifactorial moist desquamation in a patient undergoing radiotherapy (Strunk and Maher). 1993;20:152-7
Ileostomy complications (Faller). 1993;20:134 (Letter)
Monitoring, physiologic
Twenty four–hour monitoring of incontinence and bladder function in a community hospital (Moore et al). 1993;20:163-8 (Research)

N

North American Nursing Diagnosis Association
Nursing diagnosis: a professional challenge for ET nursing (Marculescu). 1993;20:138-42

Nurse-patient relations
Moments in time (Smith). 1993;20:41 (Editorial)
Nursing assessment
Development and implementation of a nursing skin care protocol (Kravitz). 1993;20:4-8
Nursing care
The caring touch (Benirschke). 1993;20:189-90 (Guest editorial)
Relative satisfaction with nursing care of patients with ostomies (Jackson et al). 1993;20:233-8
Nursing diagnosis
Nursing diagnosis: a professional challenge for ET nursing (Marculescu). 1993;20:138-42
Nursing protocol; *see* Nursing assessment

O

Options in practice
Options in practice. 1993;20:220-1
Options in practice: another option explored (Price). 1993;20:186 (Letter)
Ostomy
Application of social learning theory to teaching ostomy care to parents of infants with ostomies (Foster). 1993;20:261-6 (Student article)
Children with ostomies (Konings). 1993;20:133 (Letter)
Relative satisfaction with nursing care of patients with ostomies (Jackson et al). 1993;20:233-8
Unit-based quality assurance: a necessary component of ET nursing practice (Gawron). 1993;20:42-50

P

Parents
Application of social learning theory to teaching ostomy care to parents of infants with ostomies (Foster). 1993;20:261-6 (Student article)
Patient care team
Collaborative nurse management of multifactorial moist desquamation in a patient undergoing radiotherapy (Strunk and Maher). 1993;20:152-7
Patient education
Application of social learning theory to teaching ostomy care to parents of infants with ostomies (Foster). 1993;20:261-6 (Student article)
Issues related to informed consent (Varricchio et al). 1993;20:14-20
Patient teaching for an ileoanal reservoir (Wilson). 1993;20:199-203
Relative satisfaction with nursing care of patients with ostomies (Jackson et al). 1993;20:233-8
Patient satisfaction
A nursing intervention for intractable incontinence (Grogan and Wells). 1993;20:228 (Letter)
Relative satisfaction with nursing care of patients with ostomies (Jackson et al). 1993;20:233-8
Perineum
Management of perineal and genital burns (Rutan). 1993;20:169-76 (Case note)
Peristomal area
Caput medusae: peristomal varices (Thompson). 1993;20:216-9 (Case note)
Polyposis syndrome, familial
Current status of ileoanal reservoirs: 1992 (Tjandra and Fazio). 1993;20:56-62
Ileoanal reservoirs: construction and management (Todd and Dozois). 1993;20:26-35 (Keeping current)
Postoperative care
Clinical benefit of a hydrocolloid dressing in closed surgical wounds (Hermans). 1993;20:68-72
Pouching systems
Options in practice: another option explored (Price). 1993;20:186 (Letter)
President's message
Contradictions, controvery, commitment, and collaboration (Bryant). 1993;20:187
ET nursing: advanced practice, specialty practice—or both? (Bryant). 1993;20:229-31
Pearls of experience (Wright). 1993;20:135
A pragmatic view of the future (Wright). 1993;20:89-90
Product versus process (Wright). 1993;20:1-2
A structure for the future (Wright). 1993;20:39-40
Pressure
Pressure reduction or pressure relief: making the right choice (McLean). 1993;20:211-5 (Student article)
Pressure-reduction products: making appropriate choices (Hedrick-Thompson et al). 1993;20:239-44
Results of a clinical investigation of four pressure-reduction replacement mattresses (Bell and Matthews). 1993;20:204-10
Support surfaces and their use in the prevention and treatment of pressure ulcers (Holzapfel). 1993;20:251-60 (Student article)
Pressure ulcer; *see* Decubitus ulcer
Proctocolectomy, restorative
Current status of ileoanal reservoirs: 1992 (Tjandra and Fazio). 1993;20:56-62
Ileoanal reservoirs: construction and management (Todd and Dozois). 1993;20:26-35 (Keeping current)
Patient teaching for an ileoanal reservoir (Wilson). 1993;20:199-203
Psychology
Hope and wound healing (Jackson). 1993;20:73-7 (Student article)
Purple coloration
Options in practice: another option explored (Price). 1993;20:186 (Letter)
Purple ulcer; *see* Decubitus ulcer

Q

Quality assurance, health care
Unit-based quality assurance: a necessary component of ET nursing practice (Gawron). 1993;20:42-50

R

Radiotherapy
Collaborative nurse management of multifactorial moist

desquamation in a patient undergoing radiotherapy (Strunk and Maher). 1993;20:152-7

Reimbursement; *see* Insurance, health, reimbursement

Research

Basics of critiquing a research article (Pieper). 1993;20:245-50 (Research)

Twenty four–hour monitoring of incontinence and bladder function in a community hospital (Moore et al). 1993;20:163-8

Risk factors

Appropriateness of pressure ulcer risk scales for general hospital use (McCubbin). 1993;20:274-5 (Letter)

S

Satisfaction; *see* Patient satisfaction

Seasons

Missing *Fall* (Smith). 1993;20:188 (Editorial)

Self care

Patient teaching for an ileoanal reservoir (Wilson). 1993;20:199-203

Service

Where do we go from here? (Lenneberg). 1993;20:275-6 (Letter)

Sexuality

Sexual health promotion (Smith). 1993;20:3 (Editorial)

Shoes

Pressure-reduction products: making appropriate choices (Hedrick-Thompson et al). 1993;20:239-44

Skin care

Collaborative nurse management of multifactorial moist desquamation in a patient undergoing radiotherapy (Strunk and Maher). 1993;20:152-7

Development and implementation of a nursing skin care protocol (Kravitz). 1993;20:4-8

Skin ulcer

Characteristics and prevention of wound infection (Corum). 1993;20:21-5 (Student article)

Development and implementation of a nursing skin care protocol (Kravitz). 1993;20:4-8

Social learning theory

Application of social learning theory to teaching ostomy care to parents of infants with ostomies (Foster). 1993;20:261-6 (Student article)

Specialties, nursing

ET nursing: advanced practice, specialty practice—or both? (Bryant). 1993;20:229-31 (Pres. message)

Student articles

Application of social learning theory to teaching ostomy care to parents of infants with ostomies (Foster). 1993;20:261-6

Characteristics and prevention of wound infection (Corum). 1993;20:21-5

Hope and wound healing (Jackson). 1993;20:73-7

Pressure reduction or pressure relief: making the right choice (McLean). 1993;20:211-5

Support surfaces and their use in the prevention and treatment of pressure ulcers (Holzapfel). 1993;20: 251-60

Substance abuse

Alcohol and other drug abuse in elders (Marcus). 1993;20:106-10

Supine position

Interface pressure measurements of support surfaces with subjects in the supine and 45-degree Fowler positions (Whittemore et al). 1993;20:111-5

Support surfaces; *see* Beds

T

Technology

Use of computer technology in ET nursing (Kranzman). 1993;20:116-20

Thanks

Giving thanks (Smith). 1993;20:232 (Editorial)

U

Ulcerative colitis; *see* Colitis, ulcerative

United Ostomy Association

The history and current status of paramedical support for the ostomy patient (Turnbull and Turnbull). 1993;20:102-4 (Anniversary)

Urinary incontinence

An external urine-collection device for women: a clinical trial (Pieper and Cleland). 1993;20:51-5

Behavioral management strategies for urinary incontinence (Colling et al). 1993;20:9-13

Managing urinary incontinence with bladder training: a case study (Wyman). 1993;20:121-6 (Case note)

A nursing intervention for intractable incontinence (Grogan and Wells). 1993;20:228 (Letter)

Twenty four–hour monitoring of incontinence and bladder function in a community hospital (Moore et al). 1993;20:163-8 (Research)

Urinary incontinence (McGuire and Gormley). 1993;20:136-7 (Guest editorial)

Urine-collection device

An external urine-collection device for women: a clinical trial (Pieper and Cleland). 1993;20:51-5

V

Varicose veins

Caput medusae: peristomal varices (Thompson). 1993;20:216-9 (Case note)

Voluntary organization

Product versus process (Wright). 1993;20:1-2 (Pres. message)

W

Women

An external urine-collection device for women: a clinical trial (Pieper and Cleland). 1993;20:51-5

Wound healing

Hope and wound healing (Jackson). 1993;20:73-7 (Student article)

Wound infection
Characteristics and prevention of wound infection (Corum). 1993;20:21-5 (Student article)
Wound Ostomy and Continence Nurses Society
Contradictions, controvery, commitment, and collaboration (Bryant). 1993;20:187 (Pres. message)
ET nurses: on the front line of health care reform (Griffin and Tomaselli). 1993;20:158-62
Pearls of experience (Wright). 1993;20:135 (Pres. message)
A pragmatic view of the future (Wright). 1993;20:89-90 (Pres. message)
Product versus process (Wright). 1993;20:1-2 (Pres. message)
A silver celebration (Smith). 1993;20:91 (Editorial)
A structure for the future (Wright). 1993;20:39-40 (Pres. message)
Where do we go from here? (Lenneberg). 1993;20:275-6 (Letter)
